FROM THE SENESCHAL**BSSB MEETING MINUTES**

DATE: September 2, 2018

BARON & BARONESS: I was sad to have missed the business meeting...and two days to delirium.

But I still have some information that I wanted to get out there. Ian and I had been working on a plan to update the Iron Key. I was in contact with Ironmonger Armory and got a price quote on two of their munitions grade bascinets. We currently have no helms that belong to the Barony. Any helms being used by new fighters are privately owned by individuals.

Including shipping it would cost the Barony \$300. He does take business checks.

Here is a link to the helm: <http://ironmongerarmory.com/stock-helms/munitions-bascinet-helms>

I will be bringing this up for a vote at the next business meeting.

In Service,
Baron Gunther

Here is my correspondence:

Hi Lucas,

Shipping two helms to you will be around \$30.

So your total would be \$300.

I will send a direct pay invoice if you want to use PayPal or a credit card (I need to know who to send it to) or, a check or Postal money order could be sent to

Wenstrom Metalworks

268 Howe road.

Whitefield ME. 04353

The time from order to ship is around two weeks.

Let me know when you're ready.

Thanks

Eric

BSSB OCTOBER MINUTES

DATE: October 7, 2018

BARON & BARONESS: Her Excellency and I would both like to congratulate our new Queen Anna Leigh whose Coronation was on September 29th. We wish her the best!

Also, we want to congratulate Their Highnesses Gareth and Juliana whom became the heirs yesterday (October 6th) at Crown Tournament.

Next weekend, October 13th, has two events of interest. First, our siege brothers to the north are holding their 2nd Annual Siege Muster and I believe several of our siege crew are going up to support them. Second is the A&S Champion event, which is a good event to attend if you would like to know more about A&S competitions. Unfortunately, neither of us will be attending these events.

I will be attending Agincourt on October 20th. Agincourt is a fun event to day trip with a lot to do. I will be taking the field in armor and I would as many of our combat archers and siege engineers to attend as possible. There are lots of scenarios for CA and two for siege weapons.

Her Excellency and I both thought that our demo and Baronial Champs at the Arts and Heritage Festival was a great time and we are pleased at how it turned out. Congratulations to our new Champions! Now it's time to get practicing. We will be deciding on our next bardic champion at 12th Night in January.

SENESCHAL: We will be holding the next BSSB Meeting on November 4, 2018. Also I would like to announce that Arvik (Tim Johnson) has volunteered to be my Drop Dead. I would like to send a big THANK YOU out to him for doing so!!
