LETTERS OF INTENT—LADY EUDOXIA ANTONINA

Election for the new Baron and Baroness

Unto Their Royal Majesties Murdoch Bayne and Riognach ni Rose, Their Royal Highnesses Andreas Morgan and Kalista Morgunova, Their Excellencies Jean Phillippe dit la Barbe Rousse and Caterine de Troyes, and the noble populous of the Barony of St. Swithin's Bog do I, Lady Eudoxia Antonina send greetings. With this letter I write to express my interest in being considered for the next Baroness of St. Swithin's Bog alongside Master Ian Campbell of Glen Mor as Baron.

I have been involved with the SCA since 2001 spending the first 9 years with the Shire of Nithgaard until 2010 when I joined the Barony's Canton of Westland Moor. With the dissolution of the Canton I became a member of St. Swithin's Bog and have been with the barony ever since.

I am most interested in Arts and Sciences and have spent much of my time with the SCA sewing garb for myself to compliment my interest in early Byzantine as well as medieval French and Elizabethan history. I have also made garb for other members of the Barony, taught classes on sewing and beading techniques, and have hosted several A&S gatherings and workshops. I enjoy brewing and have made batches of mead to share, and have recently been reintroduced to archery after a years-long hiatus.

My kingdom awards include the Award of Arms, the Sycamore, and the Keystone, and since moving to the Barony I have been inducted into the Baronial Order of St. Swithin for Service and for A&S. I have been the Baronial Minister of Arts and Sciences for 5 years and Pursuivant Herald for 3 years. I have been an autocrat as well as a feastocrat for several events both within the Barony and with neighboring shires.

Outside of the SCA, I am a teacher at a placement for troubled youth where I teach Social Studies in grades 8 through 12. I have been a volunteer and board member with the Historical and Genealogical Society of Indiana County for 14 years, and joined the colonial reenacting group IBWCP or Proctor's Militia 3 years ago. Living history is one of my true passions and I enjoy sharing that passion with anyone willing to listen.

As Baroness, it is my desire to encourage the members of the Barony to participate in Arts and Sciences activities and help them to pursue their goals in that field. I would like to see the individual growth of the Barony members and would consider it an honor to recognize that growth by giving awards and accolades. As a representative of our Barony I plan show the many ways in which our members have contributed to the Kingdom through volunteer work, art and sciences projects, and martial activities. Finally, through demonstrations and newcomers events, I hope to convey what a beautiful and welcoming place St. Swithin's Bog truly is.

LETTERS OF INTENT—LADY EUDOXIA ANTONINA

Election for the new Baron and Baroness

If elected Baroness alongside Master Ian Campbell of Glenn Moor, I understand the work that accompanies such an undertaking, but look forward to the challenge and hope to do it justice. The members of this Barony have always made me feel welcome and encouraged me to follow my dreams within the SCA. I would like to return the favor and spread that feeling to current and new members alike.

Thank you for your time and consideration,

Lady Eudoxia Antonina

LETTERS OF INTENT—MASTER IAN CAMPBELL OF GLEN MOR

Election for the new Baron and Baroness

Unto Their Royal Majesties Murdoch Bayne and Riognach ni Rose, Their Royal Highnesses Andreas Morgan and Kallista Morgunova, Their Excellencies Jean Phillippe dit la Barbe Rousse and Caterine de Troyes, and the noble populous of the Barony of St. Swithin's Bog do I, Master Ian Campbell of Glen Mor sends greetings. With this letter I write to express my interest in being considered for the next Baron of St. Swithin's Bog alongside Lady Eudoxia Antonina as Baroness.

I have been involved in the Society since 1992 when we were still a Shire. Since that time, I have held numerous offices, both shire and baronial including Chronicler, Herald, Minister of Arts and Science and Heavy, Thrown weapons and currently Archery Marshal. Additionally, I served on the Baronial Steering Committee when we transitioned from a shire to a barony. On that committee we wrote the original bylaws, designed and named the Baronial awards and designed and created the regalia for the new Barony.

My interests in the Society are wide and varying, from Arts and Sciences to Martial activities. I have been making various things since I first started in the SCA, from leatherworking to painted silk banners. Over the past few years, I have been mostly producing pottery.

My services have been recognized both within the Kingdom and the Barony. My kingdom awards include the Award of Arms, the Sycamore, Keystone, Golden Alce, Fleur d'Aethelmearc, White Horn, Milrind and Laurel. My Baronial awards are the Baronial Order of St. Swithin for Service, Art and Sciences, Martial and the Special Award of St Swithin. I have also attained the rank of Marksman for throwing and have been the Aethelmearc Sylvan Bard. I have been an autocrat and co-autocrat of numerous events held within the barony as well as autocrat for Kingdom Spring Academy.

As Baron, it is my desire to encourage new members to explore different aspects of the Society to find out what they love to do. I also want to encourage long-time members to try new things. I want to help showcase the members of our Barony in all the wonderful and awesome things they do in all aspects of the Society.

LETTERS OF INTENT—MASTER IAN CAMPBELL OF GLEN MOR

Election for the new Baron and Baroness

If elected Baron alongside Lady Eudoxia Antonina, I understand the work that accompanies such an undertaking, and I look forward to the challenge and hope to do it justice. The members of this Barony have always been family to me. I would like to help the Barony grow and thrive in the wider society.

Thank you for your time and consideration,

Master Ian Campbell of Glen Mor
